Re: **Application for a Public Hearing**
 Marginulina Texana Zone
 Nodosaria Blanpiedi Zone
 Musson Field
 Iberville Parish, Louisiana

Application is hereby made on behalf of **HENRY PRODUCTION COMPANY, INC.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the Marginulina Texana Zone, Reservoir A, and the Nodosaria Blanpiedi Zone, Reservoir A, in the Musson Field, Iberville Parish, Louisiana, for the establishment of rules and regulations for single drilling and production units for the exploration for and production of oil and gas from the Marginulina Texana zone, Reservoir A, and the Nodosaria Blanpiedi Zone, Reservoir A, in the Musson Field, Iberville Parish, Louisiana, said units to be designated MT RA SUA and NB RA SUA:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of oil and gas in the Musson Field, Iberville Parish, Louisiana, said unit to be designated MT RA SUA.
2. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of oil and gas in the Musson Field, Iberville Parish, Louisiana, said unit to be designated NB RA SUA.
3. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
4. To designate Henry Production Company, Inc., as operator of the proposed units.
5. To designate the Henry Production Company - Dent No. 1 Well as the unit well for the proposed Nodosaria Blanpiedi Zone, Reservoir A, and the Marginulina Texana Zone, Reservoir A.
6. To provide that any future wells, replacement and/or alternate unit wells drilled to the units proposed herein, should be exempt from the spacing provisions of Statewide Order No. 29-E.
7. To authorize the Commissioner of Conservation to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

8. To consider such other matters as may be pertinent.

The Marginulina Texana Zone, Reservoir A, Musson Field, is hereby defined as being that oil and gas bearing zone encountered between the electric log depths of 9,456' and 9,881' (measured depths) or 9,280' and 9,674' (true vertical depths) in the Henry Production Company, Inc.-Dent No. 1 Well, located in Section 60, Township 7 South, Range 9 East, Iberville Parish, Louisiana.

The Nodosaria Blanpiedi Zone, Reservoir A, in Musson Field, is hereby defined as being that oil and gas bearing zone encountered between the electric log depths of 10,047' and 10,415' (measured depths) or 9,870' and 10,238' (true vertical depths) in the Henry Production Company, Inc.-Dent No. 1 Well, located in Section 60, Township 7 South, Range 9 East, Iberville Parish, Louisiana.

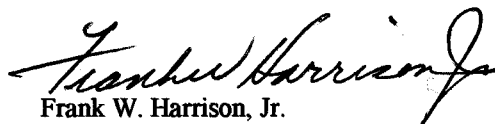

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone Number (337) 232-4031.

A pre-hearing conference was held on December 1, 2003 at the Petroleum Club of Lafayette, located at 111 Heymann Blvd., Lafayette, Louisiana, 70503. This conference was opened by Frank Harrison who represented the applicant, Henry Production Company, Inc. Mr. Harrison presented the proposed units for the applicant and the geological basis for the Marginulina Texana Zone and the Nodosaria Blandpiedi Zone. Mr. Jim Hardwick representing Schwing Lumber Company represented a slightly different unit for the Marg Tex. Zone. After discussion, a resolution of differences was made between all parties present. Upon reaching agreement, the meeting was adjourned. No opposition to the proposals is expected at the hearing.

Attached hereto and made a part hereof are plats outlining the applicant's revised proposals and a list of the names and addresses of the Interested Owners, Interested Parties, and Represented Parties to whom a copy of this notice is being furnished. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. The list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$1,510.00, made payable to the Office of Conservation representing the required hearing application fee.

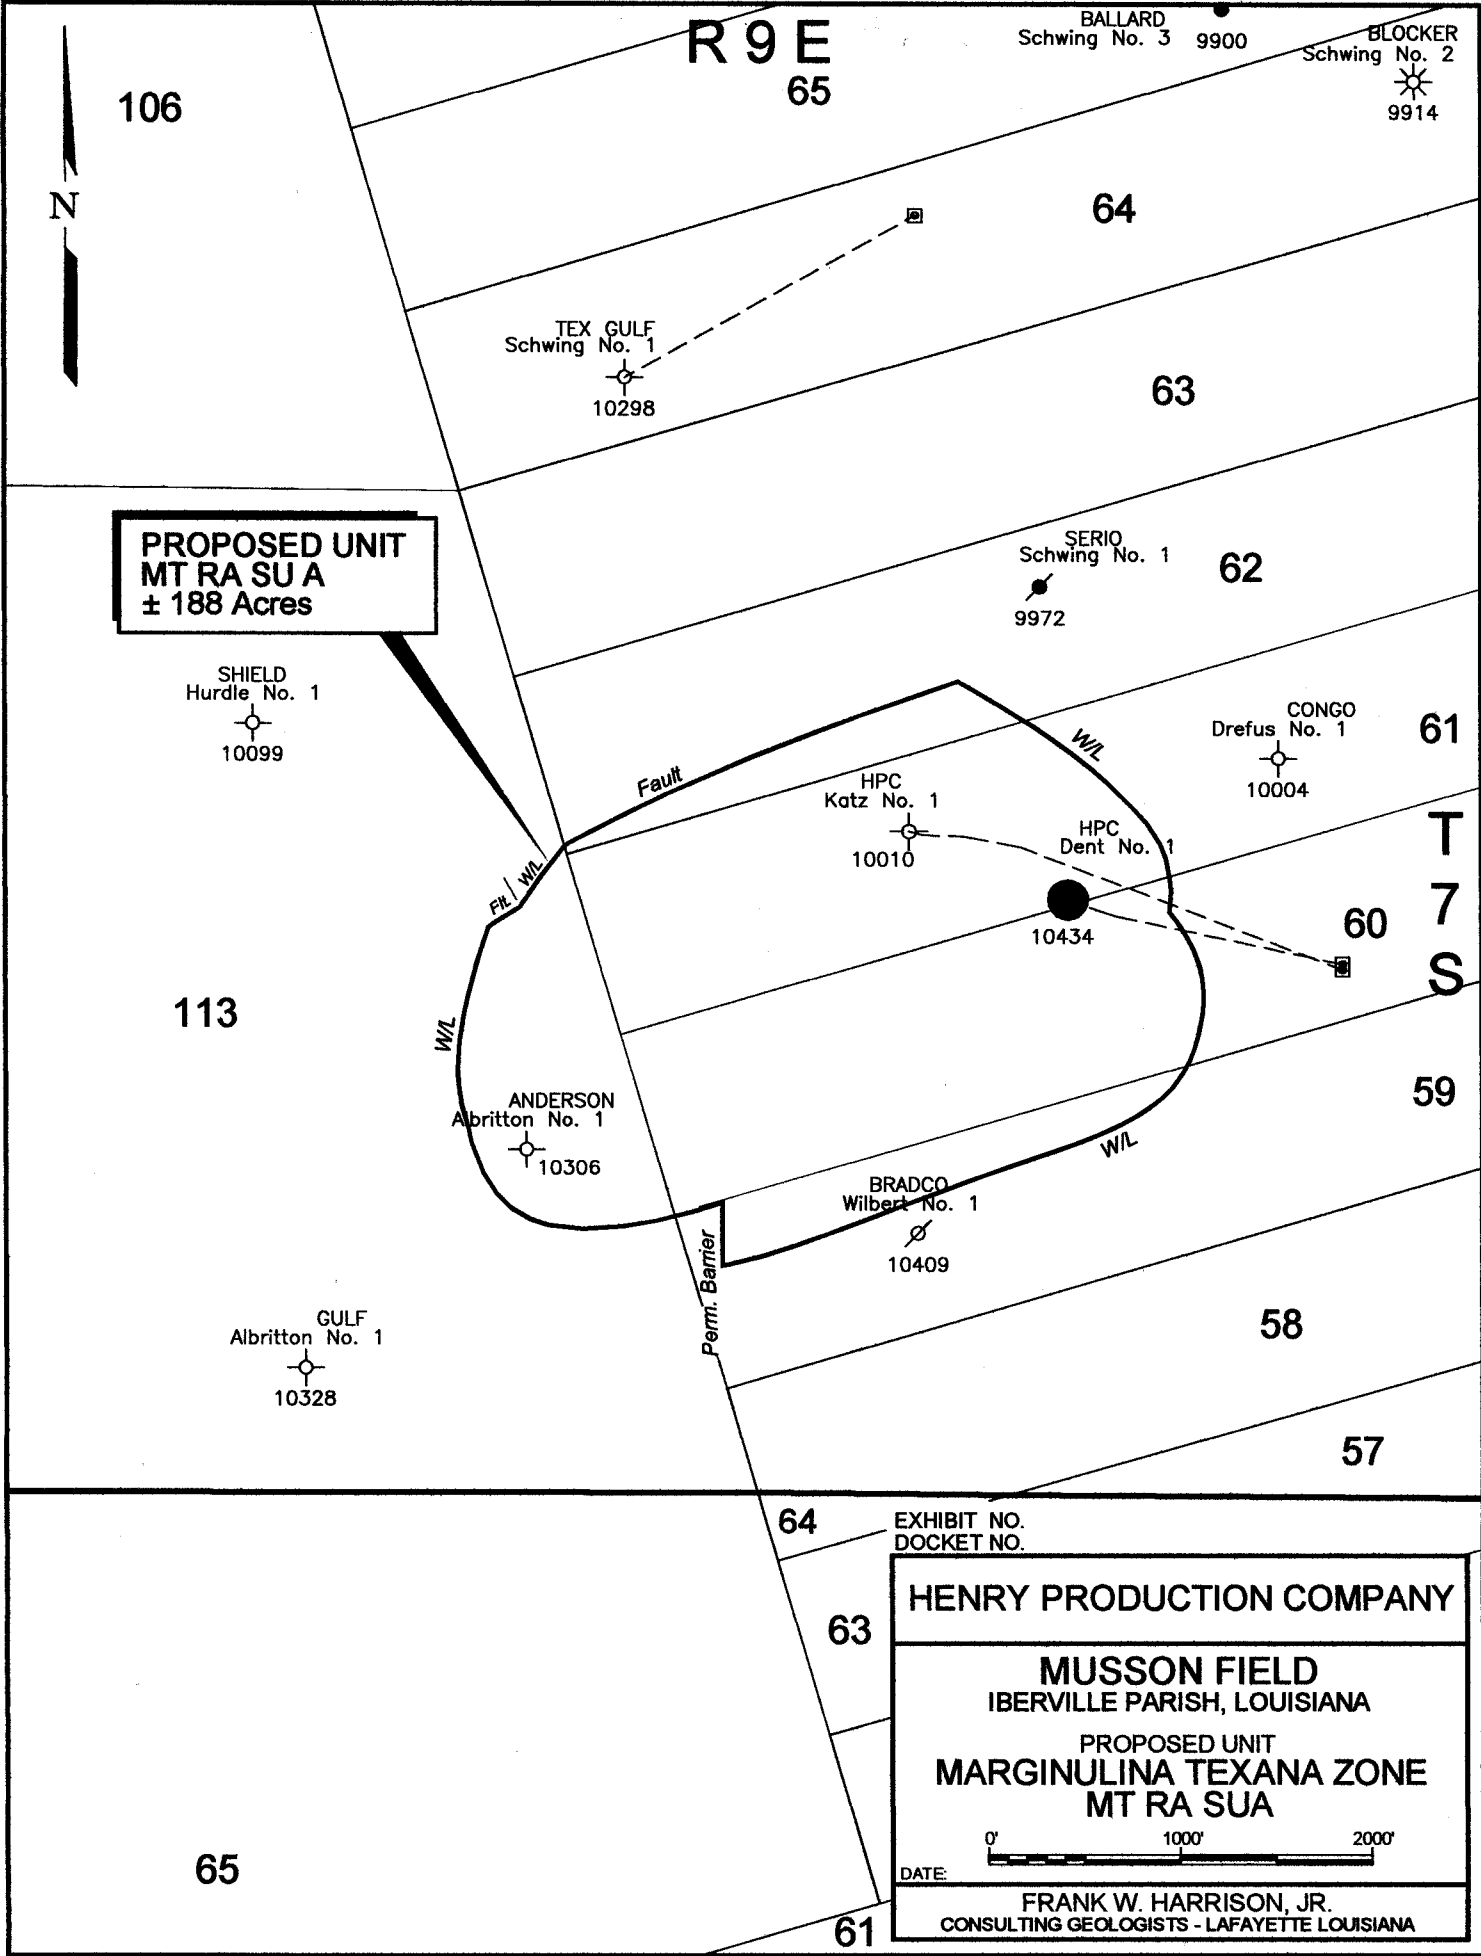

Very truly yours,

Frank W. Harrison, Jr.
